JUST EAT TAKEAWAY
BERLIN, GERMANY

Senior Data Scientist

Dear Hiring Manager,

I am writing to express my interest in the Data Scientist position at your Just Eat Takeaway. Having found the job posting on LinkedIn, I am excited about the opportunity to join the Food Catalogue team and contribute my expertise in data science, machine learning, and software engineering.

As a highly accomplished Senior Data Scientist with extensive experience in developing and deploying machine learning models to solve complex business problems, I am confident that my skills and experience make me a perfect fit for this position. With a passion for devising innovative problem-solving strategies and leveraging cutting-edge technologies to drive business success, I am excited about the prospect of joining your team.

At King Berlin, I pioneered the development and implementation of AI/ML solutions for the company, resulting in a 25% increase in efficiency and more informed decision-making. In my role as a Senior Machine Learning Engineer at SberGames, I developed and deployed different models, from classic ML algorithms to 3D mesh generation models using state-of-the-art methods for various departments. I am confident that my experience and skillset align with your team's goals.

I am particularly drawn to your team's mission to understand and enrich food products with valuable information for customers. As a Data Scientist, I understand the importance of using data to inform decision-making, and I am eager to contribute my skills and expertise towards this mission.

Thank you for considering my application. I look forward to discussing my qualifications further and learning more about the opportunities at your company.

Sincerely,

Vladislav Sobolev
